LONG NEWTON PARISH COUNCIL

VEHICULAR ACCESS TO THE PLAYING FIELD & VILLAGE GREENS

Vehicular access to the Playing Field and the adopted Village Green areas is not allowed.

The only exception is for the use of ground maintenance equipment used by the company who undertake the ground mainenance contract for the area.

Any resident who believes they have a legitimate exception to this rule should contact the Parish Council Clerk in a timely manner (minimum 3 days) before potential access is required. The Parish Council Clerk will review the exception request with the Parish Council to determine its veracity and respond accordingly.

This Policy was adopted by Long Newton Parish Council at the Parish Council Meeting held on 13th October 2026.

Signed.....

Keith Hissitt Chair Long Newton Parish Council
